Impressive Speaker Lineup Announced for TECHEXPO Cyber Security Event

Elite one-day event promises to be an inspirational day for cyber security professionals seeking new employment opportunities.

PR Newswire

COLUMBIA, Md., Oct. 23, 2012

COLUMBIA, Md., Oct. 23, 2012 /PRNewswire-iReach/ -- TECHEXPO has announced the speaker lineup for their semiannual Cyber Security hiring event, being held November 1 at the Sheraton Columbia Town Center in Maryland.

President/CEO of Convergence Technology and Board Chair of the Tech Council of Maryland Larry Letow will kick off the session with the opening keynote on November 1st at 9:00am. Larry will be joined by an extraordinary speaker lineup that includes:

- *Kristina Tanasichuk, President/Founder of Women in Homeland Security and President & CEO of Government Technology & Services Coalition.* Kristina founded Women in Homeland Security in March 2009 taking charge for all aspects of the programming, development, marketing and membership of the organization. She also serves as CEO of the Government Technology & Services Coalition, a non-profit, non-partisan association of innovative, agile small and mid-sized company CEOs that create, develop, and implement solutions for the Federal homeland and national security market. [READ MORE](#)
- *Scott C. Kennedy, AVP/Chief Engineer at SAIC.* With twenty-three years' experience as a Unix system administrator, Scott is the Chief Engineer and designer of the CyberNEXS Computer Security Training System. Lead member of the Penetration Testing Team involved in multiple security assessments of networks and systems. [READ MORE](#)
- *Shawn Henry, President of CrowdStrike Services.* Shawn retired as FBI Executive Assistant Director in March 2012, with responsibility for all criminal and cyber programs and investigations worldwide, as well as international operations and the FBI's critical incident response. Shawn has been a keynote speaker on a multitude of cyber issues in venues around the world. He has been featured on 60 Minutes; CBS Evening News; Good Morning America; The Today Show; Forbes Magazine, Business Week, The Wall Street Journal; USA Today & more. In 2010, Henry was named one of the most influential people in security by Security Magazine; received the Federal 100 Award as a government leader who played a pivotal role in the federal government IT community; and was selected as cybercrime fighter of the year by McAfee Inc.
